

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

I believe it is absolutely crucial to the health of our democracy that the consolidation and conglomeration of the media be restrained! Please do not give a handful of giant corporations more consideration than you give the American public!
